Thanks, Kelly!

Great to meet you, Damon! Would love to grab coffee soon. Looping in Mildred DeLoatch in my end to assist with scheduling.

Hello friends!

Jason, meet RVA's newest leader, RRHA head Damon Duncan. Damon just moved here from the Chicago area and he is going to do great things for our neighbors living in public housing.

Damon, meet one of RVA's newest leaders, though a veteran now at just over a year on the job! Jason leads the Richmond Public School system and like you, he is a force.

You two need to meet. Your constituents have much in common and I know the larger community would benefit from you both working for kids and families together.

I will see you both soon.

Kelly
